

Lieutenant Colonel (Retd) Toong Ka Leong
ReCAAP Information Sharing Centre
Senior Manager (Operations/Programmes)

LTC (Retd) Toong Ka Leong joined the ReCAAP Information Sharing Centre (ISC) in May 2006 after his retirement from the Republic of Singapore Navy as the Manager (Operations). He is one of the core members of the project team that was instrumental in the setup and operationalising the first government-to-government anti-piracy and armed robbery centre in Asia.

LTC (Retd) Toong was promoted to Senior Manager (Operations/ Programmes) in 2008 where he has contributed significantly in both the Operations and Programmes Departments. He oversees the information sharing process among ReCAAP Focal Points as well as their capacity building effort. He also helps to coordinate responses to incidents where necessary, and assists with publicity and profiling of the ReCAAP ISC.

He holds a Masters of Education from MONASH University, Australia.
